Trash handout Version 4: 06/11/2013

IMPORTANT NOTICE

DURING YOUR STAY AT TERRA VERDE WE REQUEST THAT YOU DISPOSE OF YOUR TRASH APPROPRIATELY.

THANK YOU.

INDIVIDUAL HOMES: Trash collection – Monday & Thursday. Recycle collection - Friday

Please put bagged trash into containers with lids and place them at the edge of the driveway Sunday, Wednesday or Thursday evenings. The empty containers should be returned to storage following pick up. Bags not in a sealed container should be sprayed with ammonia to keep away the birds and little “critters” that live in the wooded areas nearby.

TOWN HOMES: Daily, Monday to Saturday

Trash must be bagged and placed inside the bench located at the entrance to each villa. Excess trash must be placed INTO the dumpsters. These are located on Pompano Beach Drive and Madiera Beach Blvd (Junction of Golden Beach Ct), inside the fenced area.

Note:

- **Trash must be INSIDE the dumpsters not on the ground. The waste company will not pick up trash outside the container.**
- **There is no one to remove trash left outside a unit by the curb or outside homes on non-pick up dates.**
- **The association reports non-compliance to the management company and resort home owner who may choose to withhold security funds for trash removal during your visit.**
- **Homeowners must not place oversized items, propane tanks, pool heaters, pool pumps and air conditioning units in the dumpsters.**
